## **Sargent And Greenleaf Returned Goods Policy**

All product returns require prior approval from Sargent & Greenleaf. Contact your S&G Customer Service Representative and they will issue you a Returned Goods Authorization (RGA) number. This RGA number must appear on all shipping cartons and paperwork.

Incorrect or defective standard product may be returned and if justified, full credit will be issued or the goods will be replaced. Product warranty terms apply.

Excess or unused standard product in new, resalable condition, is subject to a minimum restocking charge of 25% of the net value if received in resalable condition. S&G reserves the right to refuse returned product that is used, blemished, damaged or obsolete.

Piece parts or special/custom ordered products may not be returned. S&G only accepts returns from the original purchaser. Products should always be returned through the channel of distribution from which they were obtained.
